

The ARNECKE SIBETH DABELSTEIN

Shipping and Marine Insurance Scholarship 2019

Since the year 2000 we have organized a scholarship programme allowing young lawyers from abroad to become familiar with German law and with the practice in the shipping and marine insurance business. Our goal is to contribute to a better understanding and co-operation amongst international law firms as well as other members of affiliated businesses.

The programme proved to be a great success judging by the large number of applications we have received in the past years. From all applications, six participants originating from different countries will be selected in order to give them not only the possibility to meet with German lawyers but also with their colleagues from all over the world. Previous scholars have come, inter alia, from Denmark, Egypt, England, Italy, the Netherlands, Norway, Russia, India, Turkey, South Africa, Norway and the United States.

We herewith kindly invite young lawyers of your firm or company to apply for the year 2019 scholarship programme. This year's course will be held in Hamburg from 9th through 20th September 2019. No course fee will be charged. Each attendant will have free accommodation and free public transport within Hamburg.

Please find attached an application form which is available on our web page www.asd-law.com too.

Please note that applications should reach us at the latest by 30th June 2019.

Your sincerely
